

Legends of the South Stallion Incentive Program wants to thank you for being a part of the Legends family. We absolutely couldn't do this without all your support, and we look forward to getting bigger and better each year!

In 2010 I was surprised by my parents right after Christmas with a stud colt by Rare Bar out of a Dash Ta Fame daughter. My daddy had big dreams for this boy, to raise him, run him and raise his babies to one day run them as well. We never imagined the very next year my parents would be tragically killed in a car accident on our way home from NBHA Open World show. It's been some tough years without them, but we've kept the dream alive and pushed forward raising daddy's colt Rare N Famous and him ultimately being the face of why the Legends of the South was born.

In 2021 we had barely 40 stallions and just over 200 enrollments, this year we have maxed out on stallions and have almost 10 times the enrollments! I know they are smiling big from heaven! We wanted a program that could showcase stallions all over and bring some big money here to the south and we are doing just that! We finished out 2022 paying \$433,306 in one weekend!! We couldn't be more excited for the future of this program!

We are constantly looking ahead, coming up with new ideas to benefit the growth of the program, while keeping the uniqueness and intimacy of it. Moving forward we will publish a stallion waiting list and expand our count to allow 60 Jr Stallions and 75 Sr Stallions. This will increase payouts and show counts for the future.

Stallion fees will stay \$2500 for Sr Stallions and \$1500 for Jr Stallions. Stallion enrollments will be open September 1<sup>st</sup>, 2023, for the 2024 season. Enrollments need to pay in full. We will take enrollments until November 1<sup>st</sup>, 2023, or until we reach the max number stallions allowed in the program. Enrolled stallions are required to donate a breeding for our annual stallion auction, or they will have to pay a \$250 no auction fee. If the stallion spots are not filled and a stallion enrolls after the November 1<sup>st</sup> deadline, they will be required to also pay the \$250 for not being able to participate in the auction. Stallions may be dropped at the sole discretion of the Legends for failure to comply with rules. All

stallions must list Legends as being an incentive on any of their stallion pages, advertising, etc. All enrollments must submit a copy of their registration papers.

Regarding Deceased Stallions, Legends of the South will no longer accept deceased stallions unless these stallions are actively and able to sell and ship semen. We feel this is best for the growth of the program moving forward.

The new year will run from November 15<sup>th</sup> to November 15<sup>th</sup> each year to keep in line with the futurity season.

Stallion auction will run from November 15<sup>th</sup> to January 15<sup>th</sup> each year.

Foal enrollments are to be done by mail or online at [thelegendsofthesouth@gmail.com](mailto:thelegendsofthesouth@gmail.com) Foals must be enrolled by Dec 31<sup>st</sup> each year to avoid price increase due to age. New Stallion Progeny \$200 Any foals by newly enrolled stallions can be grandfathered in the 1st year at a reduced rate. Cost will be as follows. Weanling \$200 Yearling \$300 2 Yr. Old \$400 3 Yr. Old \$500 4/5 Yr. Old \$600 6 Yr. Old & Older \$350 Also new, we are adding an option to enroll progeny by dropped stallions for the one time for a lifetime fee of \$1500. Foals must be nominated with a copy of their registration papers. Foals enrolled will be listed on the website within 7 days of being received.

If a producer wishes to add Legends incentive money to their show they can submit a request to us at [thelegendsofthesouth@gmail.com](mailto:thelegendsofthesouth@gmail.com) If show is approved they must have legends as a side pot and produce results no later than the Wednesday the week after their show. Failure to supply results by the due date will result in incentive money being void. No barn names will be accepted. Shows with \$5,000-\$10,000 will be considered bonus money and there will be no entry fee. Shows with \$25,000 added or more will have an entry fee and can be run as a side pot or class of its own determined by the show producer. Checks will be mailed 7 days after the event. This allows us time to verify horses and eligibilities so there are no mistakes. Results will be posted on the website [www.thelegendsofthesouth.com](http://www.thelegendsofthesouth.com)
